

Expand your talent management success without adding staff

When organizations are balancing growth with efficiency, dedicating resources to talent management functions can be difficult. The BirdDogHR Managed Services team is your expert resource in implementing a top talent management strategy, especially in the federal contracting, construction, engineering, manufacturing and supply industries. BirdDogHR Talent Assist services can be an extension of your HR and recruiting staff by offering a unique and customized combination of needs-based talent management services. A BirdDogHR software subscription is required for Talent Assist.

We Do It For You

Partner with an experienced Talent Management Consultant to customize the right combination of resources to meet the needs of your organization. Choose the talent management priorities that you would like to focus on in any combination of:

Timeline and Delivery

The Talent Assist service can be purchased in the following packages:

6-month Subscription

- Ten hours dedicated to your talent management process for the first month
- Eight hours per month following the first month
- Unused hours do not carry over from one month to the next
- **50 hour maximum**

Annual Subscription

- Ten hours dedicated to your talent management process for the first month
- Eight hours per month following the first month
- Unused hours do not carry over from one month to the next
- **98 hour maximum**

A Talent Assist Engagement includes:

- Kick-off call
- Scoping session to review needs, establish key outcomes, and set up communication schedule based on hours purchased for engagement
- The BirdDogHR Consultant begins working the project under your direction. Hours and results are tracked and reported on weekly throughout project
- At the end of the engagement, a project summary will be presented along with best practices moving forward

The start date for your project will be determined by you and your project manager. A weekly report will be delivered with the number of hours used each week. At the end of the engagement, a final report will be delivered and presented with the results, reports and recommendations.

A 2013 survey conducted by the Society for Human Resources Management pinpointed the six most common reasons why businesses increasingly rely on outsourcing:

1. Save money
2. Focus on strategy
3. Improve compliance
4. Improve accuracy
5. Gain access to HRO expertise
6. Take advantage of technology
